# Aayush Kumar

Full Stack Engineer @ Nexxio | MERN Specialist | AWS Cloud |  
Docker & Kubernetes Architect | AI developer  
Bengaluru, Karnataka, India

## Summary

As a Full Stack Engineer, I develop, maintain and scale web applications using the MERN stack, AWS, Docker and Kubernetes, while integrating AI technologies for enhanced functionality. I leverage machine learning models to create intelligent features and personalized experiences. My core competencies include analytical thinking, creativity, teamwork, and communication across both traditional development and AI domains.
